CELEBRITIES & ENTERTAINMENT CELEBS TYGA KYLIE JENNER

## Kylie Jenner and Tyga Totally Just Party-Crashed

Don't worry, everyone loved it because they're celebrities.

TMZ is [reporting](#) that Kylie Jenner and Tyga just casually strolled into a party at a Hollywood Hills mansion and then Tyga hopped on the kitchen counter and started performing because this is real life.

The shindig was a launch party for a new social app called PingTank — I've spent, like, 10 minutes on their website and all I've learned is that maybe it's an app that lets you put animated GIFs on top of pictures? Help? Anyone? Bueller? — and the other guests were more than happy to see Kylie and Tyga. He performed five songs and everyone lost their shit, so it was a successful night for all.

Unfortunately, the cops were not so down and when they showed up at 1 a.m., the party ended.
